Al-Fatiha
29.11.1998

1. Almighty is most merciful and is with all the grace,
Serve people, living beings and deserve His grace.
2. Let us praise the Almighty the most Gracious, most merciful,
Let us remember our source, supporter, always in full.
3. Ask, seek, pray, meditate and receive His grace,
He is ever present showering his mercy, without asking, at every place.
4. Almighty, most gracious, most merciful is the Supreme Judge,
Be ready for judgement, from the right path do not budge.
5. We do your worship, Almighty the most gracious one,
We seek your aid, Almighty the most merciful one.
6. Show us the straight way, the most gracious one,
Lead us to the path of light, the most merciful one.
7. The straight path is the path of those who receive grace,
And is not the path of those who go astray in a mad race.
