We Salute Mother India

We salute Mother India
Great India, our India.

Let there be great harmony
Oh people, a great symphony
In our India, Mother India.

Excellent works, be, our bench mark
Fearlessness be our hall mark
In our India, Mother India.

Great mountains and forests too
Pure rivers and ocean true
In our India, Mother India.

Cattle, water and agriculture
Grains, flowers, fruits and horticulture
In our India, Mother India.

We protect nature, environment
Material and spiritual enlightenment
In our India, Mother India.

Light of languages and literature flow
Excellence arts with bright light glow
In our India, Mother India.

Ancient wisdom from sages and seers
Scientific knowledge from pioneers
In our India, Mother India.

With mutual feelings we inter twine
As leaders and teams we ever shine
In our India, Mother India.

Happiness and plenty let ever be
Compassion and love let always be
In our India, Mother India.

In spiritual path leadership
All religion in great friendship
In our India, Mother India.

We salute Mother India
Great India, our India.

Mother India the Land of Light New Vision and Mission of India

1. Let us salute Mother India, the Land of light, the giver of peace and harmony.
2. This India is the place for Excellent and good works, ensurer of uninterrupted fearlessness and security of people. Let us salute II
(Let us endeavour, work, contribute and excel.)
3. Our India is created along with majestic mountains and forests and pure rivers and ocean. Let us salute II
(Let us protect our mountains, forests, rivers and oceans and keep them clean)
4. This India is shining with wealth of animals, cattle, agriculture and water resource and the Green India ensures the growth of fruits, flowers and grains. Let us salute II
