Divinity
February 1993

1. Equality is the divinity gift,
to everybody you give this gift.
2. Permanently bad in this world is none,
there is a nice man in every one.
3. Hate has never conquered hate,
with love you can conquer hate.
4. Approach everyone with good will,
better will, will become their own will.
5. Do not wish for praise from others,
do not encourage blaming others.
6. Each one of us can cause bliss,
any occasion for this, let us not miss.
7. Even when wicked does small good,
recognise him, he will attain saint hood.
8. If you are key-person and on stage,
take care of all, be maker of age.
9. Society is not a village or town,
society is whole world our own.
10. Passive neutrality removes not grief,
equal concern is best in brief.
11. You can bring out God inside you,
by forgiving and giving, God is you.
