

Emerging to Merging

21.01.1993

1. Dawn emerges
Day surges
Evening verges
Night merges

2. Child emerges
Youth surges
Adult verges
Elder merges

3. Emerging is best with good seed
Surging is best with good ground
Verging is best with good culture
Merging is best with good record.

4. Care for the emerging ones
Dare with surging ones
Share with the verging ones
Be aware of the merging one.

|--|---|
| <p>5. Nurture the emerging ones
Channelise the surging ones
Utilise the verging ones
Learn from the merging ones</p> | <p>11. Emerging is creation
Surging is continuation
Verging is completion
Merging is conclusion</p> |
| <p>6. Emerge with ideas
Surge with action
Verge with wisdom
Merge with experience</p> | <p>12. Emerge with creativity
Surge with energy
Verge with utility
Merge with dignity</p> |
| <p>7. Emerge with optimism
Surge with enthusiasm
Verge with contributionism
Merge with realism</p> | <p>13. Stopping emerging is crushing creativity
Stopping surging is losing opportunity
Stopping verging is losing contributing
Stopping merging is disturbing peace.</p> |
| <p>8. Emerge with knowledge
Surge with wealth
Verge with energy
Merge in unity.</p> | <p>14. In breakdown emerge with solutions
For breaking even surge with efforts
For breakthrough verge with improvement
For record break merge with excellence</p> |
| <p>9. With instinct emerge well
With intuition surge well
With intellect verge well
With insight merge well.</p> | <p>15. New product emerges
Competing product surges
Mature product verges
Declining product merges</p> |
| <p>10. Emerge and stand
Surge and dare
Verge and share
Merge and care</p> | <p>16. New leadership emerges in chaos
Daring leadership surges for clearing
Systematic leadership verges during order
Visionary leadership merges during complexity.</p> |
| <p>17. What emerges can surge
What surges will verge
What verges have to merge
What merges could emerge again !</p> | |

***Emerging - Surging - Verging - Merging
are just four phases of same wave***
